NEWSLETTER Vol. XXXVI/ No.1 March 2026

PRESIDENT'S MESSAGE

All I ever ask is for everyone to get out their wallets. Need another go fund me. Took my cat to our vet yesterday. Have to take him into Regina tomorrow. Cost me $80.00 for just a quick check up. Hate to think what it will cost for an ultrasound. But he is my baby and boss of the house. Had him for 12 years. Longer than any of my relationships. Shows he is a tough cat to put up with me so long. He is a long hair so makes a great crying blanket when necessary.

Have made a few attempts to find out more of what is happening about acquiring the lily beetle wasp for release in Saskatchewan. They have done such a good job of getting rid of the beetle in Manitoba and Alberta that the wasp has disappeared also. Having to source from Europe. But it sounded hopeful in the fall. Will send out a few more e-mails and bug people to get more information. Remember that the White City Garden Club is having a seminar with regards to the lily beetle and acquiring the wasp. You can check their website for more information for time and location. It will be on May 13th .

Also we are joining with the Regina Hort Society again this year for the Spring Bulb Sale. It will be on Saturday May 16th at the Victoria Square Mall. Anybody that is available to work, give me a call at 306-771-2700 or drop me any e-mail. No new bulbs. Just what is left over from last fall at a reduced price. Getting harder and harder to source bulbs. Lily Nook is not putting out a catalogue this year. Will be having a meeting in the near future to set dates for the rest of the events. Also put out feelers if White City is having a plant sale this year. Hope so. Got some beautiful plants two years ago.

The winter has been stretching on. Some of the days that were so cold, hid in the basement and played with my stamp collection. Ron collects stamps also. His wife Jan just ignores us when we go on and on. But had the seed catalogues out and am ready to spend the big rebate the government is going to give us poor people. Done my income tax. The cat will probably spend that. He is very good at that. Will be contacting people regarding membership renewal.

Bye for now. See you in May.

Susan
